

Woof You Were Here – Terms & Conditions

1. The client agrees to provide full and honest information to Woof You Were Here about their pets during the booking procedures. Behaviour which may negatively impact on myself (Angie Stewart) my own dogs, those boarding, my home or my neighbours will not be accepted. These include but are not limited to excessive barking or anti-social behaviour, aggression towards any humans or animals, toileting in the home, separation anxiety, howling, barking, destructive behaviour, straying and phobias.
2. The emergency contact will be asked to take over care for the dog(s) in the event of an emergency, be it an evacuation at my home in the event of a fire or such like or if your dog displayed behaviour which meant they can no longer be cared for. These behaviours can be, but not limited to, aggression, separation anxiety, anti-social behaviour, toileting or destructive behaviour in my home. Refunds will not be given under these circumstances. Please seek permission for your emergency contact to be nominated. The client agrees that if their pet attacks another animal or person, including any representative of Woof You Were Here, and this results in injury to that animal or person, they will be responsible for any expense incurred as a result. This includes payment of veterinary fees incurred as a result of injuries to another animal caused by their dog. The dog will be removed with immediate effect and placed with the emergency contact and no refund will be due.
3. Clients agree to an introductory meeting to allow myself (Angie Stewart) to meet the dog(s) and discuss aspects of care and also introduce them to my own dogs. This meeting will usually take place in my home by arrangement and is provided free of charge. Occasionally an overnight trial (up to 24 hours) may be required at a cost to the client of my standard rate.
4. I agree I will be handing over my dog(s) to Woof You Were Here in good health. Any current illnesses or ailments will be disclosed and any medication for such ailments will be supplied and detailed on the Medication Permission form, overleaf. If any illness appears or has not been disclosed upon drop off and appears to be or is diagnosed as contagious, the emergency contact will be asked to collect the dog with immediate effect. No refund will be given in this circumstance. A dog can only be returned to Woof You Were Here for the remainder of the booking if their vet has deemed any illness as no threat to myself or other dogs. This must be in writing from your vet on their letterhead and signed. If a period of more than one month elapses between a booking confirmation and the commencement of service, the client must ensure that Woof You Were Here are informed of any changes made to the pet's health, routine or care. This can be done by the client in writing to Woof You Were Here.
5. All dates and times are looked upon as appointments and must be followed. Please remember this is my business but also my home. Please arrive on time. Please do not ring the doorbell. Enter through the side gate at the right hand side of the front door. If you are running more than 15 minutes late, I (Angie Stewart) take no responsibility for being unavailable to receive your dog or for you to collect your dog. If you are unavoidably delayed by more than fifteen minutes, you must contact myself before the arranged time to arrange another suitable time for drop off or collection. Please only call or text to arrange, if you use any other form of messaging this may not be received if I am not in a WiFi enabled area.
6. Once the introductory meeting is successful a booking fee must be paid which will amount to £5 per day, per dog. All remaining fees must be paid on or before the start date of the booking. Client understands they may forfeit their booking space if the booking fee/full fees are not paid within 24 hours of the introduction or for returning customers, if the booking fee/full fees are not received within 24 hours of the booking enquiry.
7. If the service is cancelled then the booking fee will be non-refundable. Woof You Were Here does not charge an extra administration fee for cancelled bookings. Cancellations must be made in writing by email, text or via my Facebook page. A full refund will only be given in the event of the dog's death or as a result of serious illness or injury, vets confirmation will be required.

8. The client agrees that their dog(s) will come into contact with other dogs, both in and outside of Woof You Were Here premises. On such occasions, dogs from separate households will not be left together unsupervised, or at night. By signing these terms and conditions you are agreeing to your dog(s) sharing supervised socialisation times with dogs from other households. You are also consenting to your own dogs sharing unsupervised time during the day and at night with each other. If this is something you are opposed to, please state in the client details form.

9. Owners are hereby consenting that if their dog(s) are under one year of age that, where possible will be given the opportunity to have supervised interaction with people, children and dogs (big and small) to ensure their socialisation and emotional growth. They should be given time to explore the environment and be kept entertained with activities. All training will be force free and positively rewarding. I will continue any basic training you have started. I am not a qualified trainer or behaviourist. Dogs under a year old will only board with other young dogs that can cope with puppy play. I will encourage rest time even if that means separating the dogs. Any sign of illness I will segregate the puppy and contact you and the vet. Your puppy will be walked for an appropriate time for their age and development.

10. The client agrees that if insufficient food or other supplies are provided to cover their pet's stay, the cost of purchasing additional items will be payable on collection of their dog(s). The client will inform their veterinarian that Woof You Were Here will be caring for their pets while they are away (or at work) and if possible, arrange for card details to be held, so that emergency payments can be made. Any veterinary fees that are incurred for your pets and have been paid by Woof You Were Here, must be reimbursed immediately on your return. Your dog(s) medical history and treatment must be made available in the event of illness or injury. If your dog shows signs of disease or illness s/he will be isolated from the other dogs until I have advice from the vet. Following infectious disease, I will undergo a quarantine period before boarding again. I will inform my licencing team of any death in the premises and arrangements for your dog's body to be stored at the vets until you return. You are responsible for all vets' bills. If a dog was to escape, the local warden would be contacted immediately alongside the owners.

11. If a medical emergency arises for the dog(s), Woof You Were Here will make every effort to contact the client and their emergency contact. Where time is of the essence, the client authorises Woof You Were Here to seek medical services at the nearest veterinary practice. The client agrees to reimburse for all services rendered by a veterinarian in accordance with the owners wishes as stated and signed in the veterinary release form.

12. In the event of serious accident or illness of myself (Angie Stewart) the client accepts that alternative emergency cover will be arranged for their dog(s). This will be done with the involvement of the client's emergency contact(s) wherever possible, and as far as possible would be within the boarding provision of Woof You Were Here.

13. All dogs must be fully up to date with their yearly vaccinations or titre tested with certificate of proof (kennel cough is **not** compulsory in-home boarding), they must also be wormed and treated for fleas/ticks before being placed with myself (Angie Stewart), and this is the client's responsibility. All vaccinations or course of vaccinations should be completed at least 2 weeks prior to any boarding. Woof You Were Here reserving the right to decline to accept any animal that arrives for boarding looking visibly unwell, no refund will be given if declined. We cannot board dogs who have been in kennels or large day care facilities within the month preceding the board. This is because of the risk of infection to other dogs within our homes.

14. Any dog who is not collected within two days of the agreed collection date, and where there has been no contact from the client or their emergency contact will be assumed abandoned and any necessary provisions made.

15. Woof You Were Here will carry out all agreed services in a reliable, caring and trustworthy manner. In consideration of these services and as an express condition thereof, the client waives and relinquishes any and all claims against Woof You Were Here except those arising from gross negligence or misconduct on the part of Woof You Were Here.

16. The client authorises the signed contract to be valid approval for future services, therefore allowing Woof You Were Here to accept future bookings without additional signed contracts or authorisation. By signing below, I am promising to read these terms and conditions in their entirety.
